2 July 2024

I hope that the June holidays were a welcome time of reconnection and rejuvenation for both you and your daughter/ward as we take stock of the first half of the school year and ready ourselves for Semester Two.

Some highlights of this upcoming month include the Youth Day Celebrations and Spirit Week Programme (2-12 July), Racial Harmony Day Commemoration (18 July) as well as our Cross Country Run (19 July). Do note in particular that during Racial Harmony Day, our staff and students are encouraged to dress in ethnic costumes as we celebrate cultural diversity. Students are encouraged to explore the different educational pathways available to them. The Early Admissions Exercise (EAE) for Polytechnics and the Institute of Technical Education, and Direct School Admission (DSA) for Junior Colleges, encourage students with various aptitudes and talents to apply to tertiary institutions before their national examinations. More information on the EAE and DSA can be obtained from the websites listed in Annex A. Students who require assistance are encouraged to approach their Form Teachers or our ECG counsellor, Ms Ang Hui Min (ang_hui_min@schools.gov.sg), for further guidance.

Health and Safety Matters

a) Temperature Taking Exercise

b) Managing Rising Temperatures

As we face rising temperatures, schools, with guidelines from MOE, have existing measures in place to ensure the safety and well-being of students and staff when faced with higher temperature conditions. MOE's guidelines are aligned with NEA's Heat Stress Advisory (<http://www.weather.gov.sg/heat-stress/>).

Please encourage your daughters/wards to stay well hydrated during hot spells.

Home-based Learning (HBL) Days 2024 in Semester 2

HBL days are a regular feature of secondary school life, providing students with opportunities to become self-directed, passionate and lifelong learners.

Recognising this critical developmental period, this parenting talk aims to equip parents with skills to support their daughters through puberty, identify signs of mental distress, and provide timely interventions, enhancing their well-being.
