Slides and Resources

The screenshot shows the school's website with a red circle highlighting the 'RESOURCES' menu item. Below it, under 'For Parents', there is a list of links including 'Monthly Principal's Letter', '2021 Parent-Teacher Meeting', 'Parents' Gateway', 'Financial Assistance Scheme', and 'Helping Your Child'. A large black rectangle highlights the 'Education Stages' section, which lists 'Learning', 'Technology', 'Parent-Child Relationships', 'Well-Being', and 'Personal Growth'.

In this Parent Kit issue, we share tips and resources on how you can help your child with the following:

- Practise appropriate device usage
- Manage over-reliance on devices
- Handle cyber bullying
- Show cyber kindness
- Discern real news from fake news

A cartoon character holding a lightbulb stands next to a smartphone displaying the 'Services' tab. The text 'NEW ON PARENTS GATEWAY!' and 'PARENTING RESOURCES BETA' is prominently displayed. A large orange 'NEW' graphic is in the top right corner.

Parents will be able to view resources and tips in the new 'Parenting Resources' on the 'Services' tab.

Here are 3 key features!

MOE RESOURCES AT PARENT'S FINGERTIPS
Find Schoolbag articles and Parent Kit issues specially curated by MOE.

SCHOOLBAG THE EDUCATION NEWS SITE **Parent Kit**

Sample images of the Schoolbag app and Parent Kit issues are shown.

6 CATEGORIES TO BROWSE FROM
There are also 27 topics of resources available ranging from 'Learning Attitude', 'Cyber Wellness' to 'School-Home Partnership'.

We will continue to make more useful resources available for parents through this platform.

Sample images of the mobile app interface showing categories like Education Stages, Learning, and Parent-Child Relationship.

HIGHLIGHTS & LATEST!
This section will highlight recommended reads and the latest resources to parents.

Sample images of the mobile app showing highlights and latest news.

HOW WILL PARENTS BE INFORMED?
The Communications and Engagement Group will be informing parents of this new addition via a Parents Gateway announcement on 7 Feb 2022.

Supporting your child's transition through

Secondary School

Build a caring home environment to nurture the social and emotional skills of your child using these S.A.F.E. tips.

SUPPORT

- Find out how your child's preferences are changing. Show interest by asking open-ended questions.
- Make a habit of chatting at a fixed time each day.
E.g. At dinner time.

FAMILIARISE

- Find out what secondary school life is like for students these days.
- Excite him/her about new experiences secondary school students can have.
- Encourage him/her to pick up a new hobby or hone skills in outdoor sports.
- Limit his/her time spent on digital devices.

Spend Time Chatting. Use T.A.D.

Talk

Talk about the different realities faced by teens these days compared to the past.

E.g. How you communicated with friends without social media.

Ask

Ask about his/her thoughts and feelings on people and events around him/her or in the news.

E.g. What are some ways of having wholesome fun? How does he/she feel about the different types of jobs that adults do?

AFFIRM

- Remember your child's strengths. Build his/her self-esteem in those areas. E.g. "You have the unique ability to get along well with people."
- Praise and affirm efforts in front of relatives and friends. E.g. "She is very helpful towards her grandparents."

EMPATHISE

- Acknowledge your child's varying emotions. E.g. "I understand you feel anxious about starting school without any of your old friends."
- Encourage your child to share thoughts and feelings about the new school.
- Prioritise sufficient sleep.

QUICK TIPS

- Listen attentively to understand what your child might be feeling and thinking.
- Avoid providing advice immediately when not asked.

These tips may be used with children of other ages too; it depends on each child's needs. Using these tips on your child journeys through life school years can help ease anxiety and worries, and build warmer and closer relationships at home.

Blended Learning and Home-based Learning Days

Starting Term 1

Every EVEN Wednesdays

A Typical HBL day

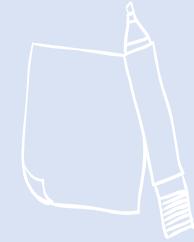

Self-directed and
independent learners

Passionate and intrinsically
motivated learners

How can I support my child?

1. Work with your child to find a conducive space for them to learn (e.g. stable WiFi connection, set a learning routine together, etc)
2. Allow your child to take charge of and be accountable for her learning (curriculum & beyond) → Cheer her on, encourage her
3. If you do want to be involved, a simple suggestion is to check in at the end of the day and ask her these questions:
 - What did you learn?
 - How did you learn it?
 - How did you know you learnt it?

For more information on HBL Days and
how you can support your child, visit our
HBL Days Parent Resource Site

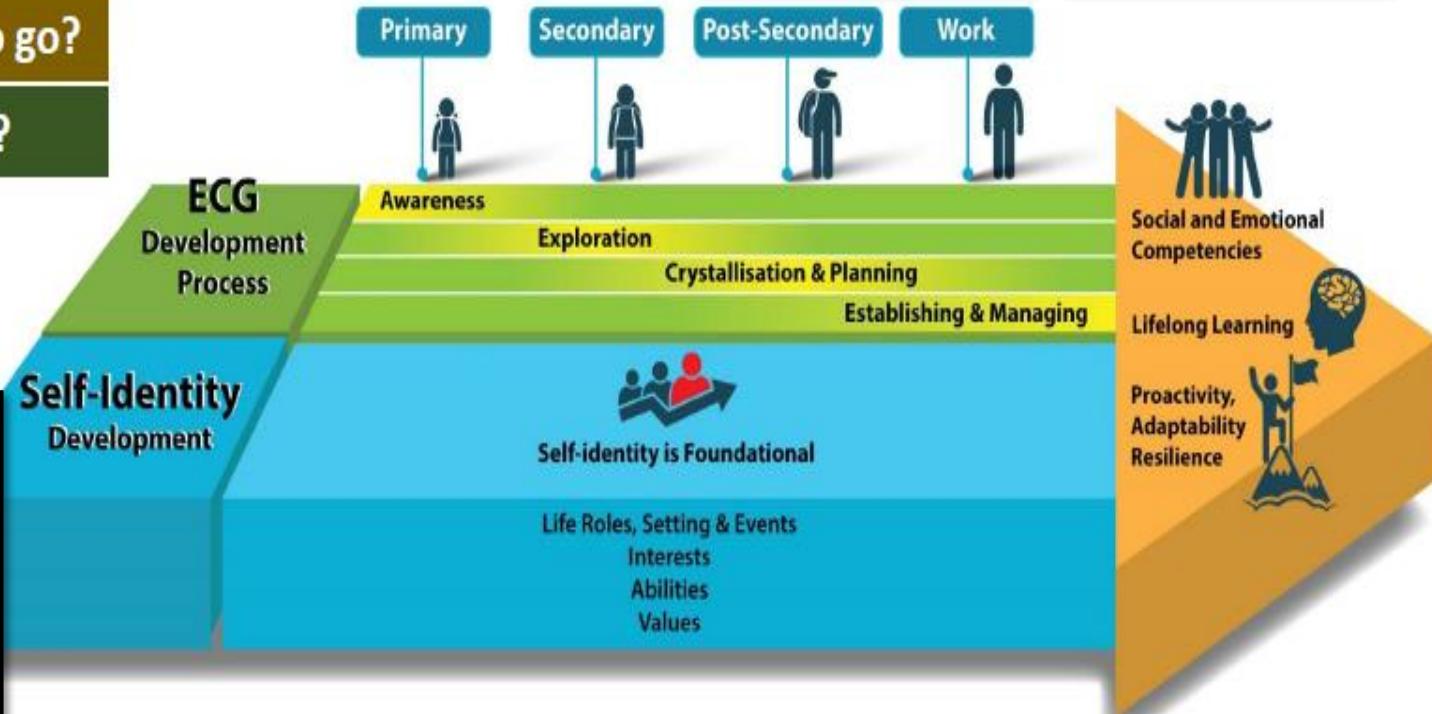

Things to consider :

ECG Developmental Model

Who am I?

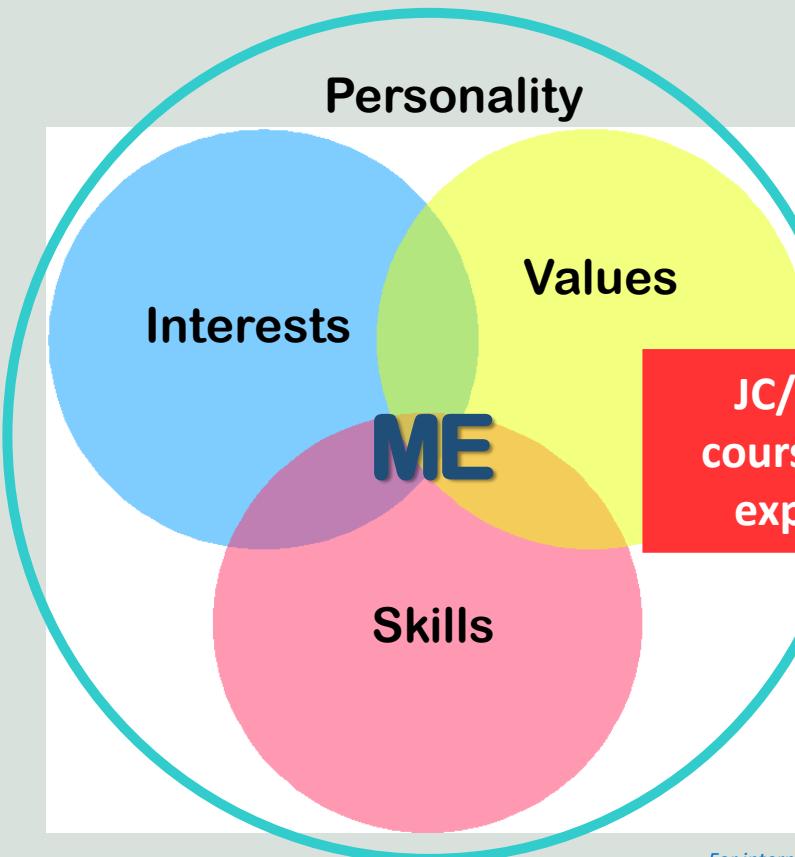

Where do I want to go?

How do I get there?

Know yourself, education and career options.

Match my **interests**, **personality**, **skills** & **values** to the likely JC or polytechnic education and course paving for future pathways.

Fit

- JC/MI
- Polytechnic
- ITE

Hope.
Resilience.
Adaptability.
Growth
Mindset.

For internal use only. Not to be circulated

The landing page features four colorful cards with rounded corners:

- Career Interests** (purple card): Includes musical notes icon and a backpack icon. A "Get Started!" button is at the bottom.
- Skills Confidence** (green card): Includes a calculator icon and a target icon. A "Get Started!" button is at the bottom.
- Work Values** (blue card): Includes a person icon with a heart. A "Get Started!" button is at the bottom.
- Learning Styles** (red card): Includes a lightbulb icon. A "Get Started!" button is at the bottom.

Which tool should I start with?

Every tool here allows you to discover a different aspect of yourself. It will help to bring you a step closer to finding the educational and career pathway most suited for you.

[Find Out More](#)

Education Guide

No matter which education pathway you are on right now, our Singapore education system offers many choices for the next phase of learning that are suited to your interests, abilities and passion.

Singapore Education Landscape

Many pathways are worth taking. Find out more about the possible education pathways and plan your next steps.

Explore Educational Institutions

Use this guide to find out more about the different schools and plan your next education pathway.

Singapore's Education System : An Overview

Many Pathways

Multiple Opportunities

Fulfilling Outcomes for All

It's not all about the academic results!

1. Contribute actively in CCA
2. Do well for all the internal assessments
3. Build a portfolio
 - Work attachments; community/volunteer work
 - CCAs / School / Personal activities, achievements, projects
4. Research on courses and related jobs
 1. Attend outreach activities by IHLs
 2. Website & brochures
 3. Teachers, ECG Counsellors, family/relatives
5. Be prepared for interviews / auditions / trials
 - Good oral communication skills
 - Good personal grooming
 - Positive attitude and outlook helps!

Briefing for Sec 3NA (2023) Subject Combinations

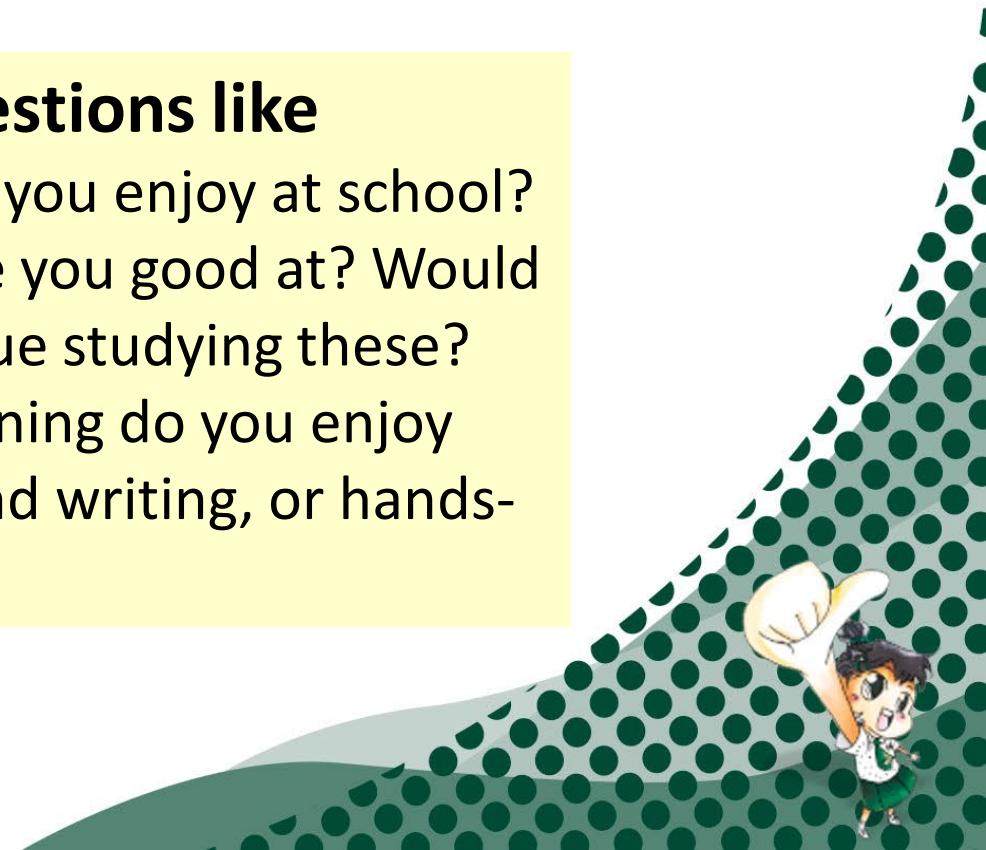

Key Considerations

JOY OF LEARNING

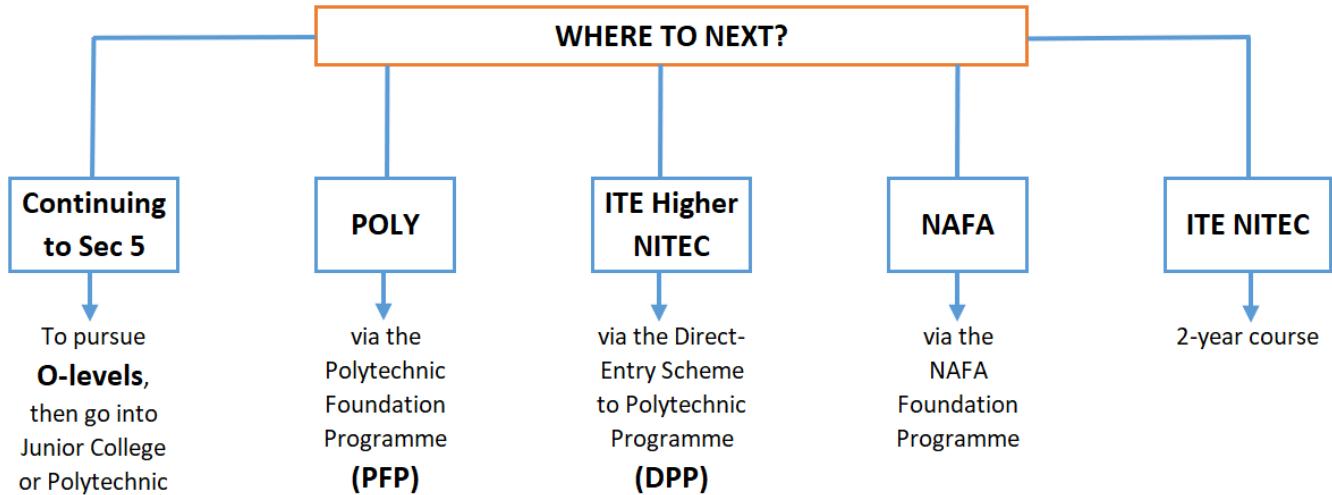

Ask your child questions like

1. What subjects do you enjoy at school?
2. What subjects are you good at? Would you like to continue studying these?
3. What type of learning do you enjoy more? Reading and writing, or hands-on activity?

Key Considerations

POST- SECONDARY OPTIONS

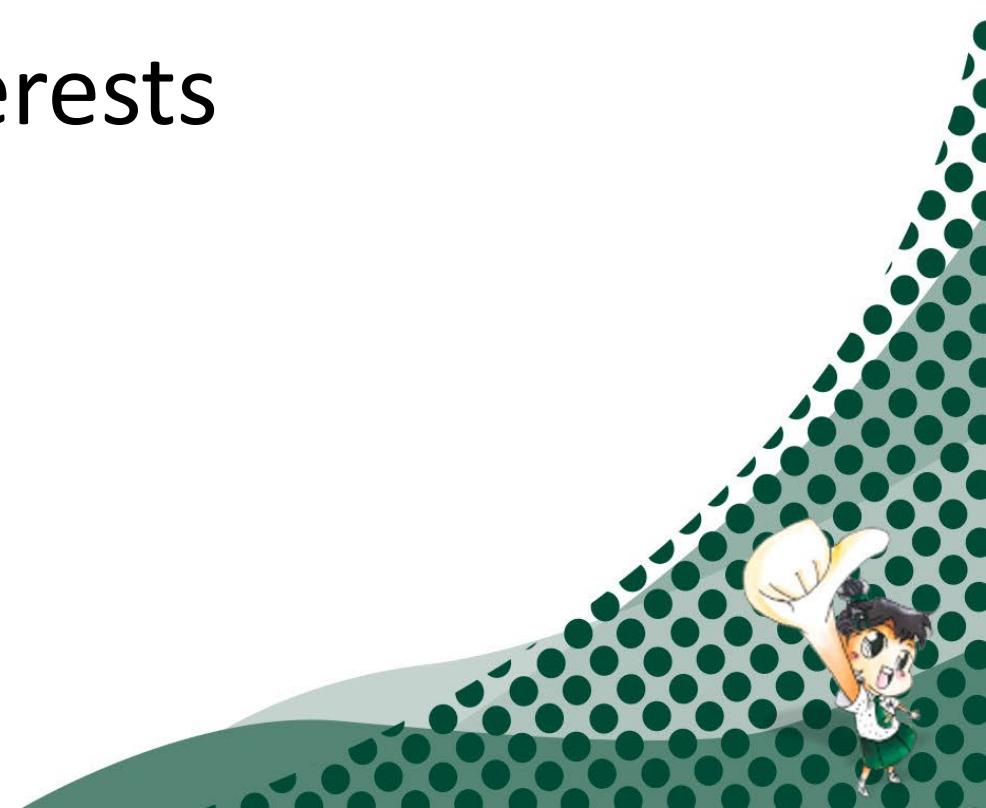

- Quality is more important than quantity
- Eligibility for DPP, PFP and Sec 5 depends aggregate score of **ELMAB3** (English, Mathematics, Best 3 Subjects)

Our Principles

- Calibrated for post-secondary options
- Breadth of choices to cater to different abilities and interests
- Merit-based allocation

Qualifying Criteria for 7 subjects

English

Mathematics

Science

Best Humanities

(Geog / Hist / E. Lit)

- Average EMSB as an indicator of students' ability to manage their learning well
- EMSB 60% (overall results) → eligible to offer 7 subjects

Sciences, Mathematics and Humanities

Science (Chemistry, Physics)

Science (Chemistry, Biology)

- All students offer Chemistry component as it opens up more post-Secondary options.

Elementary Mathematics

Additional Mathematics

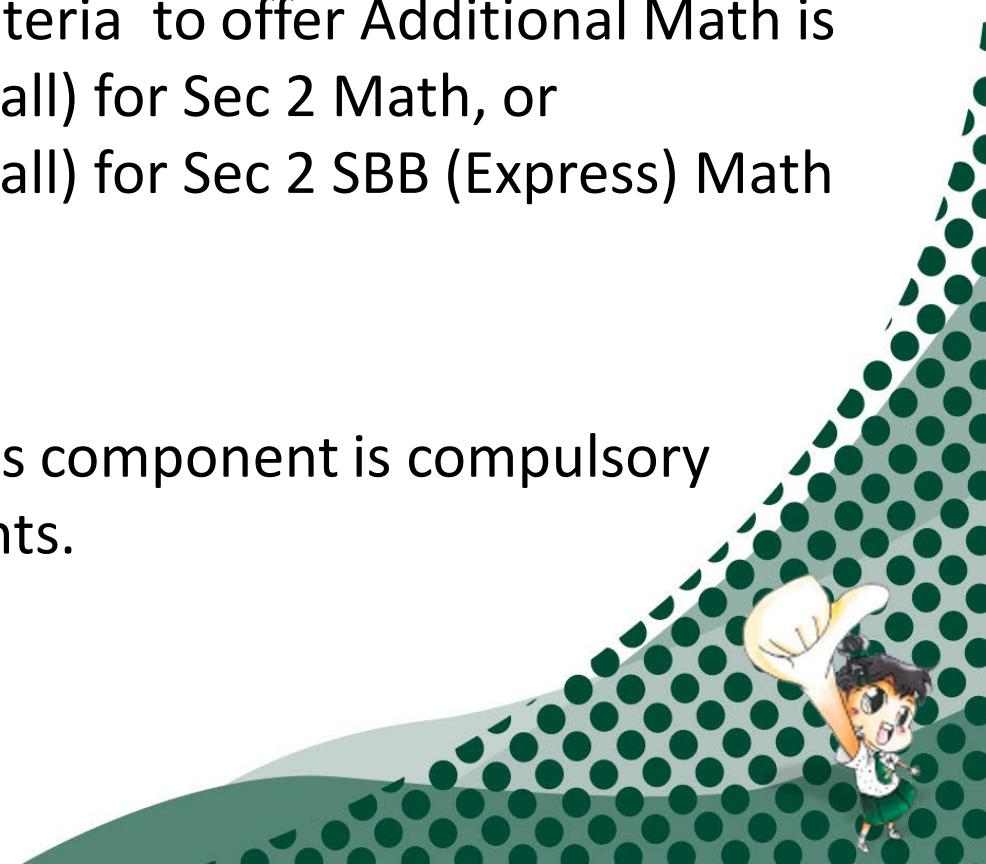

Principles of Accounts (POA)

- Minimum criteria to offer Additional Math is
 - ❑ 65% (Overall) for Sec 2 Math, or
 - ❑ 50% (Overall) for Sec 2 SBB (Express) Math

Humanities (Social Studies, Geography)

Humanities (Social Studies, History)

- Social Studies component is compulsory for all students.

Coursework Subjects

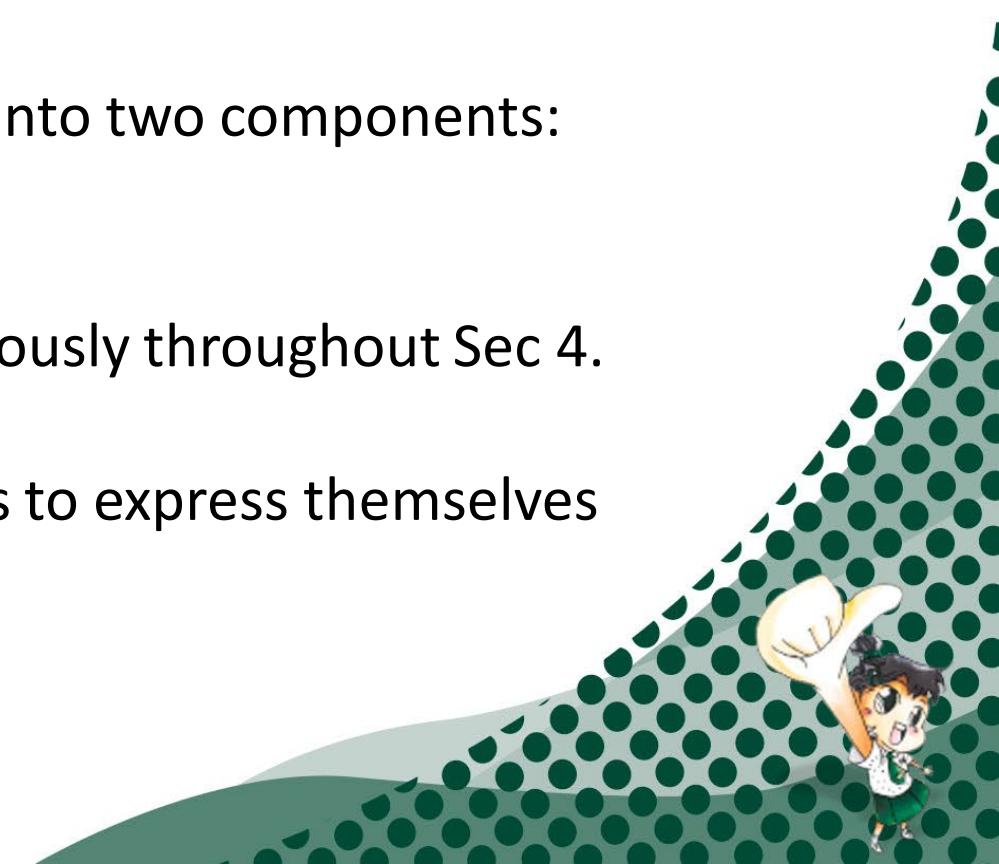

Drama (O-level)

Music (O-level)

Art

Nutrition & Food Science

- Assessment for the above subjects are split into two components: Written Paper (40%) and Coursework (60%).
- Coursework assessment takes place continuously throughout Sec 4.
- Assessment by coursework enables students to express themselves in different ways than writing.

Higher Level Subjects

Higher Level Subjects and Qualifying Criteria	
O-level EL	
O-level MTL	
O-level E Math	
O-level Sci(C,B) / Sci(P,C)	Must have taken the respective subjects in Sec 2 at Higher Level (SBB), and scored at least 50% (Overall).
O-level Drama	Completed Drama Elective programme at Sec 2.
O-level Music (EMP)	Pass the Enhanced Music Programme (EMP) Selection Test.

Note: Each student is allowed to take up no more than three Higher Level subjects.

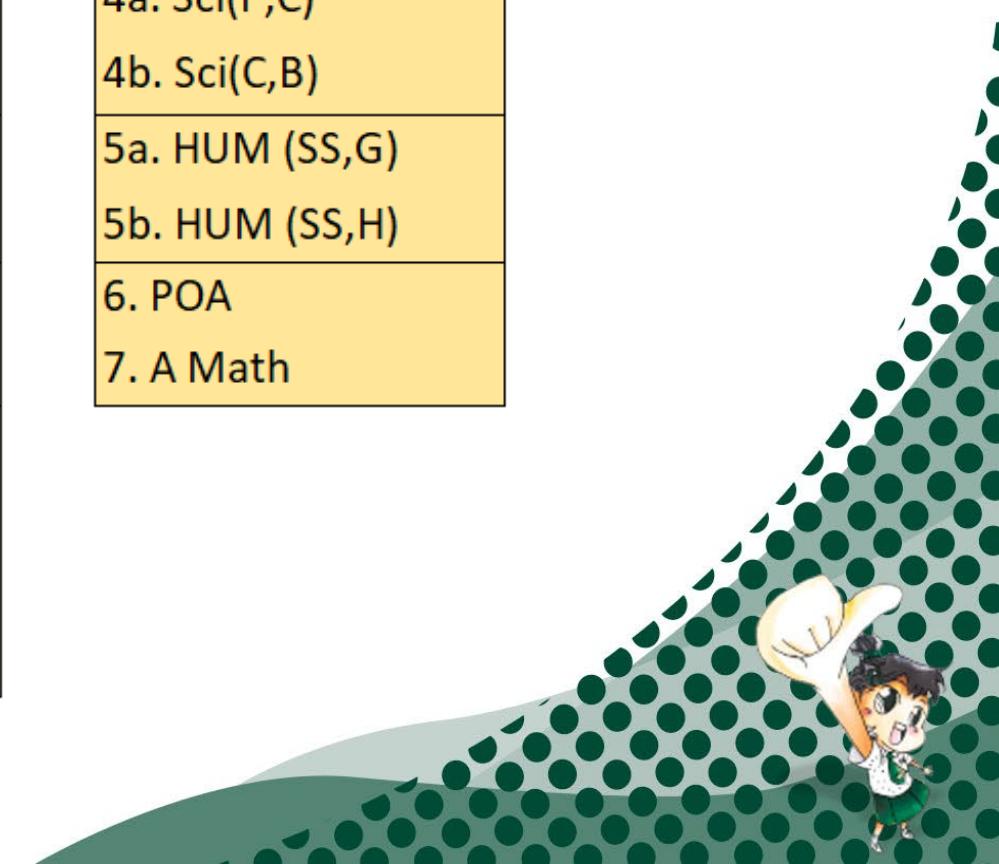

- N(A) course students may opt to offer these subjects at the O-levels, if they meet the pre-requisites.

Subject Combinations

'Commonly' Asked Questions

Qn: Currently my daughter is undecided on her future career direction. What criteria and guidance can be provided to help her ascertain her direction and therefore a decision on which subjects she should take to help her achieve this?

- Students are introduced to [MySkillsFuture Portal](#) during their CCE lessons. They may explore the site to complete the profiling tool and find out more about different industries and professions outside of lesson time.
- Students are encouraged to speak to the ECG counsellor about their plans and clarify their doubts.

'Commonly' Asked Questions

ECG

Qn: How do we help our child to select her subject combinations and future career?

- *Parents can refer to this comprehensive handbook "Journeying with Our Children, Supporting their Aspirations" in supporting their children's ECG exploration.*
- *Please refer to the following websites for more details.*
(1) *MySkillsFuture Portal*
(2) *Careers @gov*

'Commonly' Asked Questions

Leadership

Qn: What is the selection criteria for student leadership roles in school?

- *There are a few leadership boards in the school namely the class committee, the house leaders, the CCA leaders, the Student Council and the Student Leadership Challenge Board.*
- *While there are slight differences in the selection process for each Board, all the student leadership roles look out for students who are good role models and influences to their peers. Hence, students' nominations as well as teacher feedback on their character will be taken into account.*
- *For some leadership roles, there will be an interview process to access their suitability for their role and a further probation before they take on the role formally.*

Commonly Asked Questions

NDLP/ PLD

Qn: [NDLP/PDLP]

What are the rules and regulations for students on usage of the laptop? We, parents, have a hard time in managing our child screen time.

- A. Teaching and learning device
 - Device Management Application (DMA) will also be installed in the student's laptop to allow teachers and parents to manage the device and the software.
 - White-listing
- B. Digital Literacies Programme (cyber wellness)
- C. Acceptable Use Policy for laptop and mobile phone
- D. Working with Students and Parents: Screen-time, ethical and responsible use, etc

'Commonly' Asked Questions

NDLP/ PLD

Qn: How can we connect our daughter's PLD to our own printers at home? Also, can the cut off time be extended?

- *This will be dependent on the DMA options.*
- *You can install applications of your choice, including printer if your DMA option is A. Additionally, with Option B, the parent can take total control of the device after school hours. . In addition to having the ability to install applications of choice, all activities on the device are not logged.*
- *If you would like to adjust your DMA options, please indicate via this form link <https://go.gov.sg/smss-dma-options>*

Can we install soft-wares like printer drives?

How to track websites visited by children and if unsuitable, how to block those sites/domains?

This can be done if parents opted for DMA Option A or Option B.

Please refer to the announcement titled 'Selecting After-School Device Management Application (DMA) Parent Options for Personal Learning Devices (PLD)' sent out on 12 Oct 2021 for more information on the DMA options.

3) How to manage and monitor screen time?

[control----- >> ----- self regulation]

- DMA Option B (See Qn 2)
- Phone applications?
- OB-Markers Agreement/discussion
- Self Regulation/Self Directed

NDLP/ PLD

DEFAULT SETTING

- This is the selected option, if you do not request for either Option A or B. This option presents you with a dashboard from which you can view your child's/ward's browsing activity.

Option A

- If you wish to have more flexibility with the Personal Learning Device (PLD), you can opt for Option A.
- This option allows you to install applications and to customise your child's/ward's sleep timing, while retaining the web filtering function, to protect your child/ward from unsafe contents.

Option B

- For parents who wish to have total control of the device after school hours, they can opt for Option B.
- In addition to having the ability to install applications of choice, all activities on the device are not logged.
- It is important to note that by not logging activities, there is no content filtering in place to protect your child from unsafe web content. There is also no sleep hour restriction on the device, which means that the child/ward will be able to use the device at any time

➤ What are the Lateral Transfer criteria from Normal Technical to Normal Academic or Normal Academic to Express?

Students should possess a positive learning attitude and be deemed able to cope with the rigour of a more demanding course at a higher level.

▪ Normal Technical to Normal Academic

- To prepare for the NA course, students who qualify will be laterally transferred to 2NA the following year
- Students must obtain:
 - 1) Overall percentage of all subjects $\geq 75\%$ **AND**
 - 2) Score $\geq 75\%$ for English, Math & Science

▪ Normal Academic to Express

- Students must obtain:
 - 1) Overall percentage of all subjects $\geq 75\%$ **AND**
 - 2) Score $\geq 75\%$ for English, Math, Science and Best Humanities

**Students offering SBB subjects will be awarded mark conversion.*
