31 December 2025

Dear Parents/Guardians,

Each new year marks a fresh chapter and a renewed invitation to reflect on how far we have come and to look forward with expectant hearts to a new start. Our theme for this year, "Growing in Grace," reminds us that growth is not only measured in achievements, but in the depth of character, compassion, and resilience. This promise is echoed in Isaiah 43:19: "*See, I am doing a new thing! Now it springs up; do you not perceive it?*" As a school, we hold fast to this assurance—that God continues His good work amongst us, guiding every step as we work toward a future filled with purpose and possibility.

From the Fruit of the Spirit to a Season of GRACE

Over the years, we have focused our efforts to understand and appreciate what it means to live guided by our school motto of Charity, Patience, Devotion. We also learn through our school tagline of #BeWell, #BeConnected, #BeALight. In 2025, learning about the **Fruit of the Spirit** helped shape our hearts and minds to cultivate love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and temperance. These virtues remain deeply embedded in who we are. In 2026, we build on this foundation by placing a renewed emphasis on **GRACE (and LIGHT)**, aligning closely with our school's core values. GRACE will guide us to grow with the following focus:

- 1. Gratitude (Learning Continuously)**
- 2. Resilience (Being Resilient and Tenacious)**
- 3. Authenticity (Upholding Integrity)**
- 4. Care (Showing Care and Being Gracious)**
- 5. Empowered (Taking Pride and Being Humble)**

Celebrating Our Growth

We enter 2026 with gratitude and pride for what our school community has accomplished in the past years. In Term 4 of 2025, the school received a very affirming **Customised Validation Report** and I am humbled by this. It affirmed our steadfast commitment to quality teaching, holistic development, and fostering a caring school culture.

The report commended the school on having

- **strong teacher-student relationships**
- **robust programmes in student well-being and character development**
- **effective learning experiences grounded in clarity, support, and high expectations**

These affirmations reflect the expertise, love, patience and devotion of our educators, as well as our students' commitment to growth and learning. This is also testament to the trust of and partnership with our stakeholders and parents. We step into this new season with confidence—trusting that we will continue to grow in grace. As a community, our desire is also to grow in unity, wisdom, and purpose. We will continue to use the CV report to help us finetune and review our programmes.

At this juncture, I am delighted to introduce two Vice-Principals, Mr Glynn Tan Tze Jwee and Ms Jazlyn Chua who joined our school leadership team at the end of 2025. Do join me in extending a warm welcome to them as they join the St. Margaret's family. Their appointment marks an exciting new chapter for our school community, and we look forward to their fresh perspectives and expertise to support our school's continued growth.

I intend to connect with you at the beginning of each month through this Principal's letter. We hope that the information here will help you navigate and partner us to guide your daughter/ward through the various school experiences. To reach me, you can do so via email at stmargaretss@moe.edu.sg. For student well-being matters, the email addresses of the Year Heads are also listed in **Annex A**.

May God's grace envelope and lead us forward into all that He is preparing for us.

Together, let us embrace **Growing in Grace**—honouring our past, celebrating the present, and stepping boldly into the new.

Health Matters

Practising Good Personal Hygiene

Please continue to work with your daughter/ward to practise good personal hygiene (e.g. wash hands frequently with soap and water).

If your daughter/ward is unwell, ensure that she stays at home and seeks medical attention if necessary. If she is recovering from respiratory-related illnesses, please encourage her to exercise social responsibility (e.g. by wearing a mask, minimising social interactions with big groups).

Submission of Medical Certificates or Excuse Letters for absence from school

Starting in 2026, all parents will be required to submit their daughter's/ward's medical certificate (MC) or excuse letter through the Parents Gateway (PG) platform when their child is absent from school. This new digital feature streamlines the process, allowing parents to conveniently upload and submit documentation directly through PG. The implementation ensures a standardised, efficient system for tracking student absences whilst maintaining proper documentation for all excused absences.

Traffic Matters

For parents/guardians who drive their daughters/wards to school, please note that entry to the school is via Prince Road. The roads leading to the school are also the same roads to access Nanyang Primary School. Traffic congestion is expected in the mornings on school days, and you are therefore advised to reach school early.

Parents/Guardians can only drop off or pick up their daughters/wards at the drop-off point next to the **school canteen or Gate G** (refer to **Annex B**). There should be **no waiting or parking** in the school at all times.

We have also observed traffic congestion issues along Prince Road, particularly near the junction with Queen's Road during peak dismissal times. Cars parking or waiting along this stretch have created visibility challenges and traffic bottlenecks that affect the smooth flow of vehicles entering and exiting the area.

To help alleviate congestion and improve safety for everyone, we strongly encourage parents to use the **HDB Carpark at Blocks 2 to 4 Queen's Road** (students exit via **Side Gate G**), see Annex B for pick-up rather than the main gate at Prince Road. This will help distribute traffic more evenly around the school perimeter and reduce the pressure on the main entrance area. We also appeal to all parents to be responsible drivers by avoiding parking in areas that obstruct traffic flow, particularly near road junctions where visibility is crucial for safety.

Parents/Guardians who wish to visit the school can park their vehicles at the HDB carpark. Annex B (Figure 2) shows the detailed map and the opening hours of the school gates.

Road Safety Advisory

We would like to seek your cooperation in ensuring the safety of students travelling to and from school. Your partnership is crucial in creating a safe school environment. The road safety policies and guidelines provided by Singapore Police Force (SPF), Land Transport Authority (LTA) and Singapore Road Safety Council (SRSC) can be found in **Annex C**.

Communication with the School

Most information on the school can be found on the school website. Specific links are given here for ease of reference.

(a) Principal's Letter

The Principal's letter containing information on the school updates and activities will be available on the **first working day** of each month. The letter is sent via Parents Gateway and our school website at <https://go.gov.sg/smssletters>.

(b) School Calendar

Please note that the school calendar is available on our website under the 'Events' tab at <https://go.gov.sg/smcalendar>.

(c) Student Handbook

Students will also be given a copy of the student handbook. It contains pertinent information about school such as the school calendar, policies and rules. Do spend some time to discuss and guide your daughter/ward to understand the components of the handbook.

Please acknowledge via Parents Gateway by **Friday, 9 January** that you have read the information in the student handbook.

(d) Parents Gateway

Parents Gateway is a mobile app specially designed for parents. Developed by MOE and GovTech, the app allows parents to engage closely with schools, receive information and perform a range of administrative functions including giving consent for school trips. The school uses Parents Gateway **for all** engagements with parents. Hard copies of consent forms will only be provided for a student if both parents are not eligible for SingPass.

Please download the free Parents Gateway mobile app on your mobile phone (available on iOS and Android platforms only) and perform a one-time onboarding process if you have not done so. A Parents Gateway onboarding video is available at <https://ask.gov.sg/parentsgateway>.

Results of GCE-N Level 2025 Examinations

Our heartiest congratulations to our 2025 N-Level cohort of students who received their 2025 GCE N-Level examinations results on Thursday, 18 December 2025. We are exceedingly proud of the girls' remarkable resilience and celebrate with them and their families what they have achieved.

Information on pathways is available at <https://go.gov.sg/pspathways>.

Assessment Matters

The weightings of the assessments and examinations for the various levels are shown below:

Level	WA (written)	WA (project)	End-of-Semestral Examinations
Secondary 1 and 2 (modular* HY and GY)	20%	30%	50%
Secondary 1 and 2 (modular* D&T & FCE)	30%	70%	Not applicable

Level	WA Term 1	WA Term 2	WA Term 3	End-of-Year Examinations / Preliminary Examinations
Secondary 1 and 2 (other subjects)	10%	15%	15%	60%
Secondary 3	10%	15%	15%	60%
Secondary 4 and 5**	-	-	-	100%

*Secondary 1 and 2 students have four modular subjects: History (HY), Geography (GY), Design and Technology (D&T), and Food and Consumer Education (FCE). Students will study either HY or GY in Semester One and then switch to the other subject in Semester Two. The same applies for D&T and FCE, which are also instructed using a modular system as follows:

Subject	Semester 1 (Terms 1 & 2)	Semester 2 (Terms 3 & 4)
Design and Technology	Secondary 2 classes	Secondary 1 classes
Food and Consumer Education	Secondary 1 classes	Secondary 2 classes

"-" means there will be no weighted assessment (WA) for the level.

** While WA will be conducted, they will not be weighted in the overall calculations toward the Preliminary Examinations.

With the balanced assessment load, students will have more time and space to deepen their learning, enjoy the process of learning, and develop dispositions for lifelong learning. We encourage all our students to revise their work regularly throughout the year to develop their knowledge and skills in the respective subjects and not put in last-minute effort just before the examinations.

For All Students

1. Reporting and Dismissal Times from 2 to 9 January

Level-wide programmes will be conducted for students from Friday, 2 January to Friday, 9 January. Refer to **Annex D** for details.

2. CCA Matters

(a) Commencement of CCA

CCA will commence on Monday, 5 January. Students will receive more information from their CCA teachers.

(b) CCA Day

CCA Day will be conducted for all students on Friday, 9 January.

Secondary 1 students will learn about the CCA policies and the different CCAs offered. Secondary 2 to 5 students will be involved in customised CCA activities and also showcase segments for the Secondary 1 students.

All students will report by 7.30am and will be dismissed at 1.30pm.

(c) CCA Training Schedule

The CCA training schedule for 2026 is shown in **Annex E**. There may also be additional days of training during the competition season depending on the needs of the CCAs. More details will be provided by the CCA teachers via Parents Gateway.

(d) Secondary 1 CCA Registration Experience

The Secondary 1 CCA Registration is held yearly for Secondary 1 students. All students would need to choose one CCA. Choosing a CCA is an important decision that would have an impact on our students' school experience during their secondary school years. The CCA Registration Experience allows students to be exposed to the CCAs offered in school while finding a suitable match.

If your child/ward is in Secondary 1, please refer to the **SMS(S) Parent's Handbook for Secondary One (2026)** for more information.

3. School Reporting Time and White Space on Wednesdays

Starting Wednesdays from 12 January (T1W2), school begins with a later reporting time at 8.40am for students to facilitate Staff White Space, a dedicated time set aside for our teachers to meet for professional learning and development.

Students may choose to report to school earlier and use the time for self-study or group work discussions.

Days	School will start at:
Mondays, Tuesdays, Thursdays and Fridays	7.30am
Wednesdays	8.40am

4. Home-based Learning (HBL) Days 2026

HBL Days have become a regular feature of secondary school life, providing students with opportunities to become self-directed, passionate and lifelong learners.

Subjects for HBL Day will follow the regular timetable. Students will also spend an hour on Student-Initiated Learning (SIL), as they explore their personal interests, both within and outside of curriculum. The HBL schedule can be found in **Annex F**.

5. Key Events/Dates in School Calendar

(a) Parent Engagement Sessions/Parent-Teacher Meeting

The Parent Engagement Sessions and Parent-Teacher Meeting allow the school to connect and share pertinent matters about the cohort and your child/ward with parents/guardians.

Details of the programme and registration will be sent to you separately via Parents Gateway. It is necessary to sign up prior to the session. Please do make time for these sessions.

The dates of these sessions are listed in **Annex G**.

(b) School Terms, Headstart Programme and Study Camp

(i) School Terms

The duration of the school terms is shown below. We seek your understanding to refrain from taking your daughter/ward away from school during term time. Ample notice will be given on holiday programmes to aid you in your planning.

Semester 1	Semester 2
Term 1: Friday, 2 January to Friday, 13 March	Term 3: Monday, 29 June to Friday, 4 September
Term 2: Monday, 23 March to Friday, 29 May	Term 4: Monday, 14 September to Friday, 23 October

(ii) Study Camp and Secondary 3 Headstart Programme

Please note that Secondary 1, 2 and 3 students who do not perform satisfactorily in the End-of-Year Examination will need to attend a study camp to help them close the learning gaps. Students identified for study camp will be notified after End-of-Year Examination results and will **not be allowed** to participate in any other school activities.

The Headstart Programme will be conducted for all Secondary 3 students to provide them with a headstart on the 2027 syllabus.

The schedule of the Headstart Programme and Study Camp is shown in **Annex H**.

(iii) Protected Vacation Time During June and December Holidays and Study Week for Graduating Students

Protected Vacation Time

The following dates in the June and December holidays are MOE-scheduled protected vacation time for students and staff:

- Saturday, 6 June to Sunday, 21 June
- Saturday, 21 November to Sunday, 13 December

Study Week for Graduating Students

To prepare for the national examinations, Secondary 4 and 5 students will be required to report to school in week 4 of the June holidays after the 'protected vacation time'. This will be from Monday, 22 June to Friday, 26 June.

A detailed schedule will be issued to your daughter/ward in due course.

6. Assembly Programme

The Assembly Programme is a platform for the school to instill sound values and attitudes in our students and to raise their awareness of the Arts. Speakers and facilitators will share on values from biblical perspectives during some sessions.

Should you wish to find out more about the Assembly Programme, you may contact the Head of Character and Citizenship Education, Mrs Foo Kar Hiang, at lee_kar_hiang@moe.edu.sg.

7. Report Books

We are taking steps to empower students to take charge of their academic journey starting from Semester One. Students will now have direct responsibility for managing their result slips, which they will receive at the end of each semester. This new approach helps develop important organisational skills and personal responsibility. For safekeeping purposes, we encourage students to file their result slips carefully. In the event that your child/ward needs additional copies, we would be happy to provide certified true copies to ensure the authenticity of the academic records.

School will inform parents via PG notification/announcement when the report slips are shared/given to the child at the end of each term.

Administrative Matters

1. School Fees and School Bill

(a) School Fees

Annual school fees payable is spread over 12 months of the academic year. Students who join the school on or before 5 February will have to pay fees from January. Students who withdraw on or after 5 October will have to pay their school fees for October, November and December.

Singapore Citizen students can choose to pay the Single-tier Miscellaneous Fees and the School Autonomous Fees from their Edusave account.

International students are to note that their school fees must be paid on time to avoid having their student passes revoked.

Refer to <https://form.gov.sg/68511c58e85a5dd195cf326f>. You can also approach the staff at the school's General Office for the Edusave Standing Order form (hard copy).

(b) School Bill

The school will be issuing a statement in the form of a School Bill for all enrichment programmes and other school miscellaneous charges. This statement is separate from the current payment of school fees issued by MOE, otherwise known as the MOE Bill. The payment modes are the same as those illustrated for School Fees.

2. Financial Assistance Scheme (FAS)

Students may apply for financial assistance from the Ministry of Education. The details of the eligibility criteria, application and renewal process can be found in **Annex I**.

3. Rental of Lockers

Students may rent a locker at an annual rate of \$45 which includes the rental fee from January to November and an assigned number combination padlock. Existing users of the lockers may continue to rent the lockers at a fee of \$30 if they have the original padlock. For security reasons, students are not allowed to share the use of their lockers.

Interested students may fill in the application form at <https://go.gov.sg/lockersmss> or scan the QR Code. Payment is to be made directly to the vendor.

https://go.gov.sg/lockersmss

4. Insurance Coverage for Students

Each student is covered with a Group Personal Accident (GPA) Insurance which provides coverage when she is:

(a) in school;

participating in the school's activities, or any activity related to the school, including home-based learning, Co-curricular Activities (CCAs) and sports, regardless of the time at which such activities are conducted and whether the activity is conducted in the school, in Singapore, or elsewhere;

(b) commuting from (or to) her place of residence, including a hostel, to (or from) either the school's premises or the place where an activity covered by the GPA Insurance will be conducted, including any reasonable deviations. For the avoidance of doubt, the student's place of residence may include a place that is not in Singapore.

All claims should be submitted as soon as possible subject to a cap of 365 days from the date of accident. Submission of claims can be done online via Income's GPA portal at <https://studentgpa.incomegroupins.com.sg>.

Yours in partnership,

Ms Linda Lim
Principal

ROAD SAFETY OF STUDENTS

We would like to seek your cooperation in ensuring the safety of students travelling to and from school. As our students are still developing their road sense and spatial awareness, and may be less visible due to their height, your partnership is crucial in creating a safe school environment. The following provide parents of our school's road safety policies and guidelines.

Safe Driving Guidelines

When driving in the school vicinity, please

- observe speed limits and remain vigilant for pedestrians within the school zone
- follow all traffic rules and avoid reckless driving or illegal manoeuvres, e.g. turning into the school from the outer lane(s)
- follow directions from traffic marshals to facilitate safe and smooth traffic flow
- avoid the unnecessary honking
- use designated student pick-up and drop-off points during school arrival and dismissal
- where allowed, ensure swift and safe alighting of your child on the kerb side with the help of an adult.

Student Safety Guidelines

Please remind your child to:

- use designated pedestrian crossings and avoid jaywalking or crossing recklessly
- refrain from running to catch buses, and avoid crossing in front of or behind stationary buses
- do not play near or on the road
- stay alert while crossing roads and keep mobile phones away
- practise the 'Kerb Drill' before crossing:
 - look right, look left, look right again
 - ensure all vehicles have stopped
 - raise hand to indicate crossing intention
 - cross briskly when the vehicles have stopped entirely (at zebra crossings) or green pedestrian signal is displayed (at signalised crossings)

Additional Safety Reminders

- If your child must cycle to school, he/she should wear a protective helmet, demonstrate competency in safe cycling and is aware of the cycling rules

By following these safety guidelines together, we can create a safer environment for our school community. Please note that traffic violations in the school zone will be subject to enforcement action.

We thank you in advance for being positive role models and helping us maintain the highest road safety standards for our children.

Your partners in education,
SPF, LTA and SRSC
